WELCOME TO TBILISI

TBILISI could be considered Georgia's fencing hub and it has a great fencing history.

TBILISI is the capital and largest city of Georgia, located on the banks of the Kura River with a population of around 1.2 million. Tbilisi was founded in the fifth century AD by Vakhtang I of Iberia, and since then has served as the capital of various Georgian kingdoms and republics. Between 1801 and 1917, then part of the Russian Empire, Tbilisi was the seat of the Caucasus Viceroyalty, governing both the northern and the southern parts of the Caucasus.

Because of its location at the crossroads between Europe and Asia, and its proximity to the lucrative Silk Road, throughout history, Tbilisi has been a point of contention among various global powers. To this day, the city's location ensures its position as an important transit route for energy and trade projects. Tbilisi's history is reflected in its architecture, which is a mix of medieval, neoclassical, Beaux Arts and Modern structures.

Historically, Tbilisi has been home to people of multiple cultural, ethnic and religious backgrounds, though its population is overwhelmingly Eastern Orthodox Christian. Notable tourist destinations include cathedrals Sameba and Sioni, Freedom Square, Rustaveli Avenue and Agmashenebeli Avenue, medieval Narikala Fortress, the pseudo-Moorish Opera Theater and the Georgian National Museum. The climate in Tbilisi mostly ranges from 20 to 32 °C (68 to 90 °F) in summer and -1 to 7 °C (30 to 45 °F) in winter.

Welcome Letter – Tbilisi Senior Fencing World Championships

Dear Friends,

Welcome to the 2025 Fencing World Championships in the lovely and historical city of Tbilisi. On behalf of the FIE and our global fencing family, I'm honoured to present to you the year's most important fencing event. After a spectacular Olympic Games last year in the magnificent Grand Palais in Paris, Tbilisi represents the first major senior event in our next journey together, the Road to LA28.

We are seeing many new faces and talents, just beginning their world and Olympic fencing careers, and we are pleased to see many familiar faces, as well, who once again are in top form and seeking to become world champions. This is the first time the country of Georgia has hosted a Senior World Championships, and we are sincerely grateful for the tremendous work they have undertaken to accomplish this excellent event.

I would like to congratulate and thank the Georgian Fencing Federation for their hard work and superb organisation, and their commitment to supporting world fencing. I would also like to thank Mr. Merabi Bazadze, its President, and Ms. Nino Jerenashvili, its Secretary General, for leading the Federation and Organising Committee in producing these Championships. Our entire fencing community also thanks the Georgian government for their generous support for this important event to be hosted in your beautiful country.

During everyone's visit here, I hope you will take some time to explore and enjoy Tbilisi. It is an ancient, historical city and capital of Georgia lying at the crossroads of Europe and Asia. Filled with history, art, and culture, there is much to see and do to enrich your journeys.

With 12 women's and men's individual and team events in epee, foil and sabre, this competition promises to bring top-level athletes performing at the pinnacle of their training to give spectators and viewers here and worldwide nine days of excitement and thrilling fencing action.

Please join me in thanking all the athletes, coaches, referees, officials, volunteers and staff for making this all possible, and we wish you all a wonderful experience in Tbilisi.

Abdelmoneim ElHusseiny
FIE Interim President
